Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do You Want To Boost Your Productivity In The Next Seven Days? Are you struggling to get results? Do you want to get more done? Do you want to increase your business profit? Or do you want to feel less overwhelmed with your work? Let's face it; in today's world that's full of distractions, interruptions, and wrong information, it's getting harder for you to be productive. The working harder approach isn't enough anymore. If you want to achieve extraordinary results, you have to change the way you approach your work. For this reason, you need to learn new strategies to help you become productive and change your perspective about how to get results. You have to be smart, understand essential principles, and have a framework to use that allows you to get things done. In my book, Supercharge Your Productivity, not only will you learn how to get things done but also how to get the right things done and get them done productively. Here are some examples of what you'll discover inside the book: * Why most people fall short before hitting their goals, and the three principles you must understand before you start a productivity journey * How to identify your strengths and how to use them to the fullest to get productive results in work * Freeing up your mind and completing more tasks by using a simplified Getting Things Done system * How to identifying your REAL priorities so that you can achieve more by working less * A 100 Focused Formula -How to get rid of your daily distractions and stay engaged with your...
