By Swetlana Braun

GRIN Verlag Jun 2008, 2008. Taschenbuch. Book Condition: Neu. 213x147x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 1,3, Bielefeld University, course: English as a Global Lingua Franca, 7 entries in the bibliography, language: English, abstract: The approach of this paper is to present the Mennonite Low German dialect and to develop an easily intelligible orthography for the mentioned dialect. In the first point the roots of the Low German dialect under examination are highlighted and it is shown that it belongs to the same family as the English language. Both varieties belong to the Indo-European languages or, more precisely, to its West-Germanic branch. Then, point two explains where the term Mennonite Low German comes from by unrolling the history of the Mennonites, their moves and their linguistic history. In terms of definition there is a further question that has to be tackled, namely whether Mennonite Low German is a language or a dialect. This question will be discussed in point three, bearing in mind the four criteria Petty names to decide whether a variety is a...
