MULTIMEDIA INFORMATION COLLECTION IN DIGITAL LIBRARIES

2005. Hardcover. Book Condition: New. 306 In the information age, digital media have significantly impacted our lives and overloaded information systems worldwide. As the needs and expectations of library users change in the digital environment, libraries are trying to find the best ways to define their user communities, understand what they value, and evolve digital library collections and services to meet their demands. Digital libraries are large collections of multimedia information that are usually created with the purpose of supporting...

Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.

-- **Dr. Paige Bartell**

This publication is definitely not effortless to get going on reading through but really exciting to read through. it was actually writtern really properly and beneficial. I am just very easily could get a delight of reading through a created publication.

-- **Gino Jerde Jr.**

Certainly, this is the finest work by any article writer. It really is full of wisdom and knowledge You will not sense monotony at at any time of your own time (that's what catalogs are for concerning should you ask me).
