Brand New Book ***** Print on Demand *****.Many hundreds of years ago there lived in the beautiful city of Palermo a little prince who was thought, not only by his parents but by everyone who saw him, to be the handsomest child in the whole world. When he was four years old, his mother, the queen, made up her mind that it was time to take him away from his nurses, so she chose out two ladies of the court who had been friends of her own youth, and to them she entrusted her little son. He was to be taught to read and write, and to talk Greek, the language of his mother s country, and Latin, which all princes ought to know, while the Great Chamberlain would see that he learned to ride and shoot, and, when he grew bigger, how to wield a sword. For a while everything went on as well as the king and queen could wish. Prince William was quick, and, besides, he could not bear to be beaten in anything he tried to do, whether it was making out the sense of a roll of parchment written in strange black letters, which was his reading-book, or mastering a pony which wanted to kick him off. And the people of Palermo looked on, and whispered to each other: Ah! what a king he will make! But soon a terrible end came to all these hopes! William s father, king Embrons, had a brother who would have been the heir to the throne but for the little prince. He was a wicked man, and hated his nephew, but when the boy was born he was away at the wars, and...
