

Hindu Rites and Rituals : Where They Come from and What They Mean

Filesize: 9.62 MB

Reviews

This is basically the very best book i have read right up until now. It is definitely simplistic but excitement in the 50 % from the ebook. Your daily life period will likely be transform as soon as you total reading this article pdf.

(Prof. Ambrose Pollich DDS)

HINDU RITES AND RITUALS : WHERE THEY COME FROM AND WHAT THEY MEAN

Penguin Books, New Delhi, 2015. Paper back. Book Condition: New. 22 cms. 296pp. Why is the tulusi considered sacred? What is the significance of namaste? Why do Hindus light a lamp before performing a ritual? Why is it forbidden to sleep facing the south? Why do Hindus chant 'shanti' three times after performing a rite? Millions of Hindus the world over grow up observing rites, rituals and religious practices that lie at the heart of Hinduism, but which they don't know the significance of. Often the age-old customs, whose relevance is lost to modern times, are dismissed as meaningless superstitions. The truth, however, is that these practices reveal the philosophical and scientific approach to life that has characterized Hindu thought since ancient times; it is important to revive their original meanings today. This handy book tells the fascinating stories and explains the science behind the Hindu rites and rituals that we sometimes follow blindly. It is essential reading for anyone interested in India's cultural tradition.
