

Feeling of Worth: A Manifesto for Mending Our Broken World (Paperback)

By Bay Jordan

Rethink Press, United Kingdom, 2009. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****. The world is a dangerous place; not because of the people who are evil, but because of the people who don t do anything about it. Albert Einstein WE VE COME A LONG WAY Today we live longer, have more choices and greater opportunities for a higher standard of living than at any other time in recorded history. Yet we seem more dissatisfied than ever, and find ourselves unfulfilled, stressed, unable to make the most of what we have and fearful for the future. Society and the world-at-large appear to be teetering on the edge of total environmental and economic disaster. We re in the midst of a raging financial crisis that has taken down some of the world s largest, wealthiest and best-known corporations, and still threatens others. Our faith in the financial systems is seriously shaken - at a time when we need more resources than ever to rectify past errors. In our quest for more equality we ve created a new society of injustice and mediocrity; one in which we re now faced...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
