Forealsister Designs. Paperback. Book Condition: New. Paperback. 90 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Our Divine Story is my humble attempt at revealing a well hidden story within a well known story. The Story of Our Divine Creation. The Genesis of Us as told in the Holy Torah, Koran, and Bible is an incomplete version of our history, creators, and creation. Very important details were omitted and or changed. I have often blamed the religious world and the egos of men for the mutation of Our history. And they do have a huge responsibility to bare. I now overstand what was meant to be accomplished by altering and omitting certain details from future generations. Although it has not yet been accomplished. Not that I agree with decent in any form. We have all heard of mythical stories from the past. Books and movies have been written about them, academics and studied them. The Gods are stories from ancient myths right They came from the imagination of some very creative, ancient story teller. What if the opposite were true And there were Super Humans on Earth and they were responsible for our creation, education, and Spiritual Manipulation What if we really did view and worship them as Gods until a time when we began to question their loftiness and divinity Then came the time when they would separate themselves from the affairs of men and act only as Emissaries of the One True God, the Source of All that is. When the time came to record the story for future generations the attributes and actions of the gods were attributed to a singular male deity. When Jesus came along, his mission was to teach us Our true nature and relation to the Source. This undermined the authority of the church, and...
