Learn How to Effectively Compete in Today's Job Market! Despite improvements in both the economy and the job market, competition for new jobs, particularly the really good jobs, remains fierce and very challenging. And be advised: Those who are the best prepared to effectively compete in today's still dynamic job market will have the best chance to be hired for one of these new jobs. Here is another factor to consider in today's job market: According to LinkedIn, up to 50 of currently employed men and women say they are interested in exploring new career opportunities. Altogether, then, it is estimated that as many as 70 million people are now (or soon will be) competing for a finite number of available jobs. If you count yourself among those who want to explore new career opportunities in today's expanding job market, are you adequately prepared to successfully compete? If not, top professional headhunter and best-selling job-hunting book author Skip Freeman can show you how to get prepared and land the job of your dreams! In...
