Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sometime I stood there wondering why glad flowers Are planted by sad graves, where hopes and loves Unutterable are buried in the earth. Swift as a rill my pensive thoughts did run, As here my words, the symbols of them, run: -- Our little life is made of clay and gold, HUMAN LIFE, 68 Poor dirt and muck mixed with fine azure and stars; Our souls are born and bred upon the ground, Have their nests there--like the skylark Who creeps from out the brownish spotted egg Hid in the grassy field, and gets his food Out of the muddy earth--then soars aloft Into the azure where the stars do dwell--Into the misty azure, and is lost...
