New York Times bestselling author Candace Camp delights with an exciting new series featuring love, laughter, and intrigue. When Mary Bascombes stepfather tries to sell her and her sisters to the highest bidder after their mothers death, she resolves to take drastic action. Although their British mother was estranged from her family, Mary decides the four will flee to London and take their place in society as granddaughters of the Earl of Stewkesbury. Dashing Sir Royce Winslow doubts the honesty of the young womens claim despite their charms, they seem to be hiding something. His attraction to feisty Mary, however, is no ruse, so when the sisters are shipped off to Willowmere, the earls country estate, to acquire some polish, Royce is quick to join them. When an unknown villain attempts a kidnapping, Royce and Mary are thrown together as they confront the danger . . . and Royce learns that while high society may sing the praises of proper behavior, it is a most improper American who is winning his heart.
