Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Pearson Education (US), United States, 2013. Paperback. Book Condition: New. 5th Revised edition. 231 x 178 mm. Language: English . Brand New Book. Bestselling Programming Tutorial and Reference Completely Rewritten for the New C++11 Standard Fully updated and recast for the newly released C++11 standard, this authoritative and comprehensive introduction to C++ will help you to learn the language fast, and to use it in modern, highly effective ways. Highlighting today's best practices, the authors show how to use both the core language and its standard library to write efficient, readable, and powerful code. C++ Primer, Fifth Edition, introduces the C++ standard library from the outset, drawing on its common functions and facilities to help you write useful programs without first having to master every language detail. The book's many examples have been revised to use the new language features and demonstrate how to make the best use of them. This book is a proven tutorial for those new to C++, an authoritative discussion of core C++ concepts and techniques, and a valuable resource for experienced programmers, especially those eager to see C++11 enhancements illuminated. Start Fast and Achieve More * Learn how to use the new C++11 language features and the standard library to build robust programs quickly, and get comfortable with high-level programming * Learn through examples that illuminate today's best coding styles and program design techniques * Understand the rationale behind the rules : why C++11 works as it does * Use the extensive crossreferences to help you connect related concepts and insights * Benefit from up-to-date learning aids and exercises that emphasize key points, help you to avoid pitfalls, promote good practices, and reinforce what you've learned Access the source code for the extended examples from /title/0321714113 C++ Primer, Fifth Edition, features...
