## LOCKHEED P-80/F-80 SHOOTING STAR: A PHOTO CHRONICLE

[DOWNLOAD PDF](#)

Schiffer Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Lockheed P-80/F-80 Shooting Star: A Photo Chronicle, David R. McLaren, The Lockheed P-80/F-80 Shooting Star was the first American operational jet fighter. David McLaren's new book chronicles the development and early trials of the aircraft during Lockheed's groundbreaking attempts to create a viable jet fighter, in a period when jet propulsion was still an innovative unknown. This period also saw engineers and test pilots like Kelly Johnson and Tony LeVier facing many challenges, incidents and accidents as they attempted to create a new fighter from yet untested aerodynamic theories, and engines that were still under development. Also discussed are the record breaking transcontinental and absolute speed records set by the Shooting Star. Detailed analysis of the Shooting Star's combat record in Korea shows why the F-80 flew more combat missions than any aircraft in the war theater. Also presented is a summation of all USAF, USAFR, and foreign countries that flew the P-80/F-80. David McLaren is also the author of Lockheed F-94 Starfire (with Marty Isham), and Beware the Thunderbolt!: The 56th Fighter Group in World War II (both titles are available from Schiffer Publishing Ltd.).
