From the pyramids in Egypt to the Sydney Opera House, landmarks have been built all over the world. Find out what makes them so special. Packed with statistics and interesting facts, illustrated with stunning photographs, this information book will be enjoyed by boys and girls alike. A map of the world on pages 22 and 23 shows the location of all the landmarks.

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
