Adelaide and I have come to the conclusion that if you can t believe anything at all, not even the things that are as plain as the nose on your face-if you can t enjoy what is put here to be enjoyed-if you are going to turn up your nose at everything we tell you, and deny things that we know to be truly-ann-true, just because we haven t given you the cross-my-heart-and-hope-to-die sign-then it s your own fault if we don t reply when you try to give the wibble-wappling call. And more than that, if you know so much that you don t know anything, or less than anything, you will have to go somewhere else to be amused and entertained; you will have to find other play-fellows.
