

What the Hell Is Wrong with You Black People?: Do Black America Understand They Are Facing Self-Destruction? (Paperback)

By Raymond Sturgis

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The condition of African-Americans today is quite alarming and disturbing. African-Americans have an enormous amount of contributions from their ancestors to advance in positive and productive directions. However, black Americans advancement in technology, science, music, arts and business, is overshadowed by black on black crime, and poor family values. What is the reason why so many black people have lost respect, hope and pride in the very achievements that enable them to enrich their children s future? Where is the love, and pride that can elevate blacks to support black businesses, housing and human life? What the Hell is Wrong with You? is asking a question to the murderers, deviants of black communities, to dysfunctional families and hopeless youth that feel they have no contribution to their race. The world will always have a microscope on blacks in America, because for centuries, blacks have inspired other minorities and victims of discrimination that they too can overcome. Today, African Americans are more concerned about surviving the violence of their neighborhoods, instead of creating businesses, enriching children minds with love...
