Child Abductions and Child Exploitation - How to Protect your Children - Federal Bureau of Investigation. It's nearly unthinkable, but every year thousands of children become victims of crime-whether it's through kidnappings, violent attacks, sexual abuse, or online predators. The mission of our Violent Crimes Against Children program is threefold: first, to decrease the vulnerability of children to sexual exploitation; second, to develop a nationwide capacity to provide a rapid, effective, and measured investigative response to crimes against children; and third, to enhance the capabilities of state and local law enforcement investigators through programs, investigative assistance, and task force operations. Our strategy involves using multi-disciplinary and multi-agency teams to investigate and prosecute crimes that cross legal, geographical, and jurisdictional boundaries; promoting and enhancing interagency sharing of intelligence, specialized skills, and services; and widely offering our victim/witness services. All for the express purpose of protecting our nation's greatest asset-our children.
