

## Ice Kitchen

Filesize: 2.9 MB

### Reviews

*The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.*

Quadrille Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Ice Kitchen, Nadia Roden, Cesar Roden, Artist Nadia Roden began making gourmet artisan lollies in the summer of 2011 in New York. Inspired by a photo of a leaf frozen inside a transparent lolly, she began wondering what other flavours and concoctions could be frozen in ice. She began selling her lollies at the High Line Park, and was soon joined by her nephew Cesar to help her keep up with demand. When Cesar brought the business back to London, Ice Kitchen was born in Spring 2013. The book explains the simple techniques required for successful ice lollies, as well as exciting ways to serve and present them for all sorts of occasions - from weddings and dinner parties to children's parties. The 50 recipes cover adventurous and exciting options like Roast Peach and Tarragon, Cantaloupe and Basil, and Ruby Grapefruit and Campari in addition to classic flavour combinations, such as Strawberries and Cream, and Orange and Lemon. Nadia and Cesar's inventive ideas are sure to inspire, such as the Drenched Watermelon, designed to have fresh lime juice squeezed over it as you eat, or the Cereal Milk which is infused overnight. Child-friendly flavours include Chocolate and Vanilla Swirl, Minted Milk or Butterscotch. Nadia has also been inspired by her own childhood memories of flavours made by her mother Claudia(Cesar's grandmother), such Pistachio and Rose or Egyptian Hibiscus and Peach; others were inspired by classics from around the world, like the Spanish sherry with raisin, or the Sicilian cassata.
