### ***Reviews***

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.*

Oneworld Classics Ltd. Paperback. Book Condition: new. BRAND NEW, A Regicide, Alain Robbe-Grillet, John Calder, Set in an unspecified island kingdom, A Regicide tells the story of the statistician Boris who, after the electoral victory of the Church party in the country's elections, decides to assassinate the King on the day he is to visit the factory where he is employed. As the crime is described and relived, doubt sets in as to whether it has ever taken place. Written in 1949 but only published in 1979, Robbe-Grillet's first novel is a disquieting and satirical avant-garde political thriller which bridges the gap between traditional novel and the nouveau roman genre he would later espouse and make famous.
